Uniform Policy

2025/2026 Seasons

In an attempt to present an organised competition to the community, STARplex asks players to follow the uniform expectations below. It is our experience that a tidy competition leads to tidy behaviour, which is the #1 reason teams and/or umpires remain in our competitions

Thank you for playing your part in making STARplex Courts a safe and fun place to play.

- All players on a team must wear the same colour undershirts.
- All team players must have the same colour top
- For reasons of player safety, players are not permitted to wear nose or ear studs unless covered.
- Any metal ring on the exposed surface of the skin is prohibited.
- Bib hire may incur a fee (bibs may not be available)

Penalties

3PT for breach of uniform policy (further penalties at the discretion of management)

Effective September 2025
