ADDITIONAL INFORMATION

Please document any additional information involving the technical aspects of your production that we should be made aware of prior to the commencement:

**** Hirers may record one archival copy of their performance (one camera) for educational and review purposes only.**

1. Any client wishing to make use of the theatre lighting and/or sound equipment, or staging items such as rostra, steps etc., shall be required to employ a STARplex Theatre Technician for the duration of such use. Clients may not gain access to, or make use of, any lighting/sound equipment without a Theatre Technician being present.
2. All users of the theatre shall be known as 'The Hirer', regardless of the cost of such hire.
3. As such, The Hirer is responsible for all persons and activities within the theatre during their hire period. Any damage or loss should be reported to the Head Technician, Theatre Manager or Reception staff as soon as it is noted. The Hirer may be liable for costs in this regard, please see 'Application for Hire'.
4. The Hirer must fill in a complete booking application package, and return it to STARplex no later than one month before the first hire date. The Theatre Manager and/or Head Technician can then contact The Hirer to discuss these requirements.
5. In order to eliminate any foreseeable hazards/risks to any person(s) during the booking, the Hirer must conduct an appropriate 'Risk Assessment' and provide the correctly filled out forms to STARplex at least one month before the first hire date. Incomplete forms will be returned to the hirer. Access to the Theatre will not be given until a satisfactory Risk Assessment has been accepted. This Risk Assessment will be re-visited on arrival by STARplex staff in conjunction with The Hirer, to ensure the production meets with current Occupational Health and Safety legislation.
6. Please ensure the Stage Manager or Technical Representative makes contact with the Theatre Manager and/or Head Technician on arrival at the venue. Please provide appropriate running sheets/scripts etc at least one month before the first hire date, unless prior arrangements have been made.
7. Emergency Evacuation – see attached plan (Theatre staff will conduct & supervise an evacuation).
8. The Hirer and/or Stage Manager and/or Technical Representative must be present at the completion of Bump-out to check the following with the Theatre Technician and/or Theatre Manager:
 - Technician's timesheet(s) are completed and signed by the Hirer
 - The lighting and sound returned to a standard set-up
 - The theatre is left tidy and rubbish compiled, as specified by the Manager
 - All equipment appropriately stored and secured
 - All client equipment (including sets and costumes) must be removed from the theatre on completion of the event. NO ITEMS are to be left in the theatre unless prior arrangement has been made with the Head Technician or Theatre Manager.
 - Venue is secured
9. Any electrical items brought into the theatre by a client must be tested and tagged. If the client is hiring the theatre for one day or less, the equipment may be used following inspection and approval by the Head Technician. If the hire is more than one day, the client's equipment must be tested and tagged. The STARplex Head

Technician is qualified to inspect, test and tag these items, and the cost for such will be passed on to the client.

10. All users of the theatre will be expected to behave in a reasonable manner. Students/young children are not to be left in the theatre, or other STARplex areas, unsupervised. Running is not permitted in the theatre; nor are balls, bats or similar items (unless specified in the Risk Assessment).

11. No food or drink in the theatre auditorium or on stage. Food and/or drink should be restricted to the Green Room only (where possible). Exceptions to this rule may be negotiated eg. Cabaret/dinner shows in conjunction with the Theatre Manager.

12. The Hirer must provide suitable event staff eg. Ushers, stage manager, technical crew, security etc for their production/function. A Stage Manager must be present during productions. STARplex reserves the right to engage suitably qualified staff if The Hirer cannot provide their own. The cost for such will be passed onto The Hirer. Any technical crew provided by The Hirer must meet approval by the Head Theatre Technician.

13. Do not drill, nail or screw into any surfaces or items without consent from the Head Theatre Technician. This especially applies to the rear wall (white) on stage. All reasonable efforts must be made to keep this wall free from marks.

14. Do not attach items to walls, doors etc. with tape. Special areas will be provided for this. Check with the Technician prior to attaching any items to any fixture/surface.

15. Electrical tape only is to be used for marking the stage/dance floor. Gaffer tape only is to be used for taping down cables, carpet edges etc. All tape, marks etc. must be removed during Bump-out.

16. Do not drag items across the stage or dance-floor. Pick them up and carry them. Use at least two people for heavier items.

17. The Theatre Technician and other staff are available to assist and advise to ensure clients' productions are as professional as possible. Consideration of suitable breaks and meal-times should be given to the Technician and any other crew.
